Let a friend tell you, in all kindness, what will

Dr. Guysott's Improved Extract In a short time, if you continue to neglect your-Yellow Bock and Sarsaparilla. The original and only genuine preparation for the permanent cure of consumption and disenses of the Lungs when they are supposed to be affected by the two free use of Mercury, Iron, Quinne, &c. Let all who wish to purge the blood from impur-If, you will begin to feel a sense of tightness and pression ucross the clost, accompanied with fre-cent sharp during pains. Then a dry hacking ough will set in, and when you raise anything it sill be a thick and yealowish, or white frothy matand when you raise anything it | ter, streaked, perhaps, with blood. It you still take itias, and prepare the system to resist spidemics, no medicine, these analeasant symptoms will increase, and you will some eave a heatic fever, cold chills, night awars, copies expectoration, and chills, night awards, copious expectoration, and then great prestration. If you still neglect courself, a few weeks or months well see you consigned to the grave, learing your friends to mourn how really consumption did its work, not burned you naway. Friend, have you no cause to be alarmed! In the above sketch, you may see, as in a glass, howevery case of Consumption progresses, with more or less rapidity, to a fatal termination. Of all the thousands and millions where this great that his large of physical restoration less only in all the thousands and millions whom this great that his large of physical restoration has only in that his large of physical restoration has only in "Gussott's Extract of Yellow Dock and Sarsapartio, all might have been well; but being neglected, under the fatal delusion that it would 'wear itself off,' it transferred its deadly astion to the substants. under the fatal delacion that it would 'wear itself off,' it transferred its deadly action to the substance of the large, exciting there the formation of tubescles. Another, and another odd dided fuel to the flame, until these tubercles began to soften and supentrate, leaving by their ulceration, great unvisities in the lungs. At this crisis, the disease is very difficult to cure, and oftentimes sets at defiance all human means.

In the latter or worst stage, this medicine will tract of Yellow Dock and Sarsapatilla, is almost ftentimes arrest the discusse, or cueck its progress and will always make the patient more comfortable and prolong his life, and it is therefore worthy of a trial; but in its incipient or former periods, Consumption is as curable as any other disease, and DR. HALL'S BALSAM FOR THE LUNGS. if taken at this time, will cure it UTAS SURELY AS IT IS TAKEN! In This is strong language. but we can refer you to numberless living witnesses to prove that it is true! And therefore, we earnestly exhibit every man, woman and child, who has a cough, or is subject to colds, to keep the medicine by you in the house, and whanever you take cold, do not let it alone' to work mischief in your system, but cradicate it thoroughly, and at once, by this powerfully healing compound, and leave your lauge uninjured, to carry you infull vigor to a good old age!

in large running sores nearly to my ellow.

The misery that I have suffered for the last two years I count describe to you. I was in such ag-ony that I never rested day nor night. I was giv en up to die, and by the heip of God I had made preparation for death, and had potnted out to my CONSUPTION CURED TESTIMONY OF A PHYSICIAN.

Mesers. Baker & Co. : Mears. Baker & Co.:

Divis Sins—The public generally are fully aware of the thousands of remidies for Diseased Lungs, ander the titles of Satsaparillus, Pills, Plasters, Liniments, &c., that are duly brought to their notice through the newspapers, by way of advertisements. My object in writing this note for publication, is to induce the public, or at least those who are ufflicted (if they will use patent medicines), to use one that contains articles of real use in Pulmonary Discuss. I am conscious that, in so doing, I am acting most unprofessionally, and derogatory to the interests of medicine.

The Medicine to which I refer is "DR. HALL'S BALSAM FOR THE LUNGS." I have prescribed it in a large number of cases, and always with success. One case in particular, to which I wish now to refer, was given and he records and the regular practicular, to which I wish now to refer, was given and he records and the success. One case in particular, to which I wish now to refer, was given and he records and the results of the afflicted to try this medicine, wish now to refer, was given and he records and the success.

wish now to refer, was given up by several physi-cians who had been called in consultation with myself. The patient had all the symptoms of pain in the Lobe of the right lung, attended with severe Diarrhou! He commenced immediately to get better, by the use of the apove named mediately line, and was soon restored to his more discovered by the lung attended with should don't the above cure, I invite them to call the lung and was soon restored to his more discovered by the lung attended with should don't the above cure, I invite them to call the lung and was soon restored to his more discovered by the lung attended with should don't the above cure, I invite them to call the lung and lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with should don't the above cure, I invite them to call the lung attended with the lung atten ine, and was soon restored to his usual health have also found Dr. Hall's Balsam the most valuable Expectorant for breaking up distressing Coughs and Colds that I have ever used.

W. D. WRIGHT, D.M.

Peny. MORE PHYSICIANS' TESTIMONY! We the undersigned, Physicains of Cincinnati, certify that Dr. Wright's statements are entitled to the fulless confidence of the public, and we can fully corroborate what he has said, having used DR. HALL, S BALSAM in a number of cases, face, some of them as large as a quarter of a dol-lar; they assumed the appearance of cancers, and

with the happiest effects!
